

St Leonard's College  
An education for life.

# Our Mission and Values

Our vision is to provide all students with an education for life. We foster the personal qualities necessary for lifelong learning.

## Our Mission

Through inspiring and caring professionals and in a physically, emotionally and spiritually safe coeducational environment, St Leonard's College provides an exemplary, innovative education for its students, enriched by the traditions of its heritage and the diversity of all humanity to develop global citizens who know and embrace all others as equals.

## Our Values

### Lifelong learning

We value and develop the essential personal qualities and skills for lifelong learning, including self-confidence, integrity, resilience and creativity. A St Leonard's education prepares students to take their place in the world and make meaningful contributions to society.

### People

Our young people are encouraged to embrace diversity and individuality as well as collective responsibility.

### Partnership

We consider education to be a partnership between students, teachers and parents, each with their separate roles and responsibilities.

### Teachers

Our teachers are committed to continuing personal and professional development and embrace educational innovations. They are fully equipped to adapt to the rapid changes in education.

### Community

Students become aware of the needs of the wider community and learn to engage in the world outside of the College community.

### Environment

We are committed to protecting the environment as well as addressing the challenges that will face future generations.

### Diversity

We welcome all cultures and celebrate diversity. Our students are encouraged to engage with people and cultures that are outside of their immediate world.
