The Best Seat In the House Is One With Your Name On It

Within the Leonardian Centre, we celebrate innovation and success, host captivating performances, and cultivate a vibrant community spirit that enriches our College culture.

We invite you to secure the very best seat in the house - the one with your name on it - by donating to our College Foundation's seat naming campaign.

Our seat naming campaign provides a wonderful opportunity to make a lasting and meaningful contribution to the history of St Leonard's College.

Your meaningful gift to our seat naming campaign is tax deductible*.

Donations of \$1000 to the seat naming campaign will be recognised with a named plaque on a seat in the Leonardian Centre.
